PRESENTATION INFORMATION

Notice to Presenters

If an abstract is accepted, a presenter must attend the meeting to present (this applies to both oral and poster presentations).

If a nonmember presenter (i.e., not a member of ASAS, ADSA, WSASAS or CSAS) is not registered for the 2016 Joint Annual Meeting by 11:59 pm (Central time) on April 5, 2016, their abstract will not be published. It will be removed from the program and will no longer be available for presentation at the meeting. Nonmembers who register but cannot attend the meeting and are unable to arrange for a substitute presenter will receive a 90% refund, provided the reason for nonattendance is a personal emergency. If nonattendance is due to visa denial, a 50% refund will be made. All nonmember presenter requests for refunds must be accompanied by appropriate documentation and will be processed after the meeting in the form in which registration payment was made (e.g., if you paid by credit card, the refund will be applied to your credit card account). **If you are presenting a poster, please note that because posters are electronic, you will be required to upload your poster even if you cannot attend. Because posters must be presented, no refunds will be given for poster presenters who do not attend the meetings.**

Oral and Invited Speakers

Oral sessions will begin at 9:30 am on Wednesday and Thursday, 10:30 am on Friday, and 8:30 am on Saturday. Meeting rooms will be equipped for electronic presentations and pre-loaded sessions.

Upload Information

Pre-meeting upload:

Presenters will be able to upload presentation files in advance of the meeting. Avoid the onsite rush and upload your presentation on your own schedule. The upload website will be available 24 hours a day starting May 2, 2016 thru July 14, 2016 via the meeting website. Files will not be accepted via e-mail.

Onsite upload:

Onsite presentation upload will be available; files can be delivered to the Pre-Load Room at the convention center. Presentations must be uploaded by 5:00 pm on the day before your scheduled presentation. Files will not be accepted via e-mail. No presentations will be loaded while the session is in progress or between presentations.

Poster Presentations

We have dedicated 4 one-hour blocks each day on Wednesday – Friday and 2 one-hour blocks on Saturday for poster presentations. The “open poster” sessions will be from 7:15 to 8:15 am Wednesday, Thursday, and Friday. Each poster presentation will be available for public viewing for the entire day, with the presenting authors present during the open posters time (7:15–8:15 am). The poster presentations space will be located in the Exhibit Hall. We are bringing ePosters to JAM in 2016. All posters will be presented as ePosters. This new format offers some new and exciting options for poster presenters and attendees. Most notably, all posters will be on display for the duration of the meeting and available to all attendees to view at their leisure. This new technology is less expensive for presenters than printed posters and is easily transportable.

Some features of the ePosters include:

- Posters are no longer constrained to a single page; ePosters offer the option to have multiple pages per poster.
- Videos, animations, graphs and images can be embedded into the poster.
- Graphs and images can be expanded to full screen view with a single click, allowing for a more detailed presentation.

The exhibit hall will open at 6:30 am, Wednesday through Friday.

Notice to Attendees

Use of cameras, video cameras, and cell phones (for calls or as cameras) is prohibited during oral and poster presentations to minimize disruption and unauthorized dissemination of data. Anyone found in violation of this policy will be asked to leave the session.

Media Room

A media room will be available throughout the meeting to provide a space for media representatives to work. Meeting press releases will be available there. Complimentary registration is available for members of the media. For more information, please contact: asas@asas.org.

CONTINUING EDUCATION

Continuing Education Credits for Veterinarians (RACE credits)

ARPAS Continuing Education Units

The 2016 Joint Annual Meeting has been approved for up to 21 continuing education units (CEUs) for the American Registry of Professional Animal Scientists (ARPAS) certification requirements. Check the schedule of events for times and location of the ARPAS exams.

Transportation in Salt Lake City

Located 15 minutes from the Salt Palace Convention Center and surrounding hotels, Salt Lake City International Airport is serviced by eight airlines and their affiliates, including Alaska Airlines, American, Delta, Frontier, JetBlue, Southwest, United and US Airways.

SALT LAKE CITY SIGHTSEEING OPTIONS

From the Salt Lake City Convention and Visitors Bureau (CVB):

It's not just hotels that are within easy distance of the convention center; the downtown convention district abounds with restaurants, nightlife, and shopping. The Convention Center is next door to the City Creek Center, Salt Lake's newest shopping destination, and a short walk from the Gateway. If you prefer not to walk, six trax stops (all within the "free fare zone") provide quick transportation to destinations within the downtown area, or as far away as the University of Utah, South Valley, West Valley, or (soon!) the Airport.

As many of you are aware, this is the final “JAM” meeting and it is important to us to have an inspired final meeting. Therefore, we have three main goals for JAM 2016: 1) to present high quality, relevant science that links animal science and animal agriculture, 2) to return to our roots, by having a number of the social events that will enhance networking and add a family feel to the meeting and 3) to set the societies up to have excellent individual 2017 meetings.

New to 2016 Joint ASAS-ADSA-CSAS-WSASAS poster and oral sessions:

- ePosterboards for all Poster Presentations
- “TED” style talks during the Opening Session

Returning for 2016:

- A meeting theme: “Animals and Science: Big Solutions for Grand Challenges”
- Invited oral presentations throughout the session to “link” back to the theme
- Enhanced industry involvement in sessions
- Reception before the Opening Session
- Panel discussions during lunch
- Opening BBQ
- Family Fun Day

Returning to our Roots:

We are excited to change the format of our opening night. Following a reception and a brief opening session, we will bus participants to an off-site BBQ. Years ago, the BBQ was a standing event at ASAS meetings and was met with unmitigated success and record attendance in 2014. Therefore, we are excited to bring the BBQ back again in 2016. The BBQ will also include our other popular events, the Big Scoop and Battle of the Brats Competitions. Additionally, we are adding back snacks throughout the day.

Scientific Program Highlights

Please note that the scientific program is under development. We will release the full symposium and workshop list, definitive symposia dates and speaker lists Dec. 1, 2015. Here is a sampling of what you can expect:

- Triennial Growth Symposium
- ASAS-ASN Pre-Conference
- Cell Biology Symposium
- ADSA Multidisciplinary International Leadership Keynote (MILK) Symposium
- EAAP-ASAS Global Hot Topics Symposium
- Workshop: Communicating Animal Science
- Lunch Panel: Animal Science: Science and Commitment to Service
- Joint with Western Section: Beef Cattle Welfare Symposium
