

LALLEMAND SCHOLARSHIP 2020

PhD

Lallemand Animal Nutrition, North America, is proud to announce for the fifth year, that it will provide the Lallemand Forward scholarship to help support future generations of animal agriculture.

One, \$3,000 scholarship will be awarded to a full-time, doctoral candidate focusing on animal sciences, agricultural production or similar discipline in the United States, Mexico or Canada.

PhD Student Guidelines:

- Must be enrolled in an accredited doctoral program in animal science or related field
- Must have a cumulative GPA of at least 3.0 on a 4.0 scale
- Must complete scholarship application form
- Must submit a synopsis of graduate project/work- no more than 1,000 words
- Must submit a 300 to 500 word essay answering ONE of the following questions:
Essays will be assessed on grammar, creativity, originality and addressing the question completely.
 - 1. Explain what you think is the importance of agriculture in today's society.**
 - 2. Name one issue facing the production agriculture industry today and explain it's effect on the industry.**
 - 3. What do you believe are the most significant changes agriculture producers must make in the next 5 years and why?**
- All applications must be submitted in English

Selection process:

- All essays will be reviewed by the Lallemand Animal Nutrition, North America scholarship committee
- Applicants will be assessed based on completion of all scholarship materials, more weight will be placed on the essay, which must show creativity, original thought and progressive thinking.
- Essays, transcripts and application form must be submitted to lanscholarship@lallemand.com by Friday August 7, 2020, 11:59 PM CST— no late scholarship submissions will be accepted.
- The selection process will begin on August 10 and scholarship recipients will be notified no later than September 11, 2020.
- The scholarships will be awarded during the 2020 fall semester.
