JOB RESOURCE CENTER

Continuing in 2014: The traditional Job Resource Center will be located in the Exhibit Hall, Ballroom of the Community Choice Credit Union Convention Center. Sign-up sheets for making “connections” and instructions for use of the Placement Center will be posted.

Students, graduates and experienced professionals are encouraged to post résumés at the Job Resource Center. Professionals from hundreds companies, universities, and governmental agencies are represented each year at the Midwest Meeting. Prospective employees are requested to bring 25 to 50 copies of their (two-page) résumés.

Employers from industry academia and government are encouraged to post position announcements. Employers are asked to bring 25 to 50 copies of all position announcements.

Job descriptions and résumés can be posted at the Job Resource in Des Moines beginning at noon on Monday, March 17, 2014.

ARPAS CONTINUING EDUCATION UNITS

The 2014 Midwest Meeting has been approved for up to 16 continuing education units (CEUs) for the American Registry of Professional Animal Scientists (ARPAS) certification requirements. Check the schedule of events for times and location of the ARPAS exams.

ASAS CAREER CENTER

ASAS Career Center is the premier electronic recruitment resource for the animal science industry. This site is a great tool that offers benefits to both employers and job seekers alike.

EMPLOYERS
Here, employers and recruiters can access the most qualified talent pool with relevant work experience to fulfill staffing needs.

JOBS SEEKERS
This site offers job seekers the opportunity to get information out to potential employers and search job postings all in one location with a single login.

SPECIAL EVENTS

Reception & Recognition of Young Scholar Winners
Monday, March 17 • 5:30 PM • Grand Ballroom
Join us for the opening reception of the 2014 Midwest Meeting. This is a great time to catch up with colleagues. We will also take the time to recognize the 2014 Young Scholar Winners. Young Scholars must be in attendance to receive their award.

ASAS Undergraduate Midwestern Academic Quadrathlon Quiz Bowl Finals & Award Presentation
Monday, March 17 – 7:00 pm – Grand Ballroom
ASAS is excited to offer our undergraduates the chance to compete in the Midwestern Section Academic Quadrathlon (AQ). The AQ competition will conclude with the Quiz Bowl final Monday night as the final two teams compete for the honor of representing the Midwestern Section at the national meeting in Kansas City. Following the Quiz Bowl final the AQ Awards will be presented. Please come out and support our undergraduates.

Graduate Student Dinner and Learn
Monday, March 17 • 7:15-9:00 PM • Room 101-102
The objective of the Student Dinner and Learn is to provide undergraduate and graduate students with opportunities for professional development and networking. This year each table/topic will have a company sponsor. The topics will involve discussion on career preparation, job search, and effective scientific communication in the areas of Industry Research & Development, and Industry Technical Consulting/Sales. Each company will send a professional to represent their topic and students will be assigned to a table based on their area of interest. Join us and take advantage of the opportunity to discuss your interests with professionals in the field. Preregistration is required. Registration fee is $5.00.

Graduate Student Mixer
Monday, March 17 • 9:00 PM • Marriott, Hall of Cities
Join your fellow graduate students at a mixer for all to enjoy. This event will provide an opportunity to catch up with old friends and make new ones so don’t miss it. Preregistration is highly recommended; all students are welcome. Registration fee is $5.00.
Bentley Lecture
Tuesday, March 18 • 12:30 PM • Grand Ballroom
Fat Deposition And Meat Quality In Food Animals
Jeff Wood, Professor Emeritus, Bristol University, UK

Considered by many to be the foremost global authority on fat deposition, fattening patterns, and fat quality in food animals. Dr. Wood has developed a prolific research career in his field and is sought after by many to speak on the topics related to fat in food producing animals. Bringing an appealing discussion for many disciplines in Animal Science, we are very proud to sponsor Dr. Wood as the second annual Bentley Lecturer at the 2014 Midwest Annual Meeting.

Sponsored by: ASAS Midwestern Section / ADSA® Midwestern Branch Joint Board
Registration is required; attendance is limited to the first 400 registrants.

Business Meeting and Awards Program
Tuesday, March 18 • 5:30 PM • Grand Ballroom

Please join the ADSA Midwest Branch/ASAS Midwestern Section for the annual Business Meeting and 2014 Awards Program. Immediately following the Awards Program everyone is invited to come to the final reception of the 2014 meeting.

Reception
Tuesday, March 18 • 7:00 PM • Grand Ballroom

Come join us after the Business Meeting and Awards Program to celebrate and congratulate all of the 2014 award recipients.

AnimalSmart.org presents scientific and agriculturally important information about animals to the public. Visitors of any age can learn about animal science, companion animals, and animal production.

HARLAN RITCHIE BEEF SYMPOSIUM: TODAY’S AND TOMORROW’S BEEF INDUSTRY
Chair: Maynard Hogberg, Iowa State University
Sponsor: Harlan Ritchie Appreciation Club, ASAS Foundation
304-305

9:00 AM  
Introduction  
M. Hogberg, Iowa State University

9:10 AM  
(Invited) Today’s and Tomorrow’s Application of DNA Genomics  
K. Andersen, Zoetis Animal Genetics

9:55 AM  
(Invited) Tomorrow’s Feedlot Industry  
T. Brink, formerly of JBS Five Rivers Cattle Feeding

10:40 AM  
(Invited) Future Applications of Reproductive Technologies in the Beef Industry  
G. Seidel, Colorado State University

11:25 AM  
(Invited) Current State of Distillers Utilization  
G. Erickson, University of Nebraska-Lincoln
